About Me

Hey there!

I'm Mechelle Necole, an Atlanta native with a story that's as captivating as a novel. I believe in blazing my own trail and never looking back. As a mother of two amazing girls, I wanted to express my edgy, savvy, and creative side, something against the grain. That's when I posted a racy lingerie photo on a whim, and it ignited a social media frenzy. People started reaching out, asking where they could buy that piece.

Fast forward three years, and here I am, an influencer in my own right. Faith and manifestation have always been my driving forces. Every day, I reach thousands of people with my inspiring words and unique outlook on life. Making a positive impact and inspiring others to grow and thrive has always been my goal.

I've personally overcome low self-esteem and battled with depression in the past, so I have a special connection with those who are struggling. I'm committed to helping them elevate and grow, constantly striving for a better version of themselves.

My impeccable fashion sense, beauty regime, and motivational words have attracted a passionate following of both women and men who are motivated to live their best lives. With me, you'll find an influencer who is relatable, real, and dedicated to inspiring and motivating you to be your best self.

So, brands, if you're looking for an influencer who can authentically connect with your audience, I'm your girl. Let's collaborate and create something amazing together. Reach out to me, and let's make a positive impact on the world.

Best,
Mechelle Necole
